Name: \_\_\_\_\_

**Directions:** One student chooses two addends by covering them with a clear plastic disc or counter. He/she covers the sum of the numbers on the board below. The next student goes by changing only one of the addends and covers the sum. The play continues. The winner is the first one who makes 4 in a row!

1 2 3 4 5 6 7 8 9

8	12	13	10
3	6	17	7
11	14	9	16
4	15	7	5
